On **May 17, 2019**, Hudson County will join together to celebrate our inspiring nonprofit community and their commitment to quality of life for all. #HudsonGives is a 24-hour, online giving day just for Hudson County, that provides nonprofits the opportunity to gain exposure to — and start relationships with — new donors, and for people in our region to unite around local causes and raise as much money as possible for local nonprofits. Participating nonprofits will also have access to webinar sessions, toolkits and training materials on how to maximize their giving day experience. To make the most of these efforts your organization should ensure that your profile is up-to-date on the site well ahead of #HudsonGives and is custom-branded to tell your story.

Registration for #HudsonGives opened to nonprofits on Monday, February 25, 2019, and will close on **Friday, May 3, 2019**. For more information and to see participating organizations, visit www.hudsongives.org, watch the promotional [video](#), or see the attached materials.

#HudsonGives is sponsored by the Hudson County Chamber Foundation, Inc., an IRS approved 501(c)(3) organization founded in 2018. The mission of the Chamber Foundation is to support capacity building of established small- and medium-sized businesses and nonprofit organizations in the region. #HudsonGives is the first major initiative of the Chamber Foundation.

We can make a larger impact when we give together in support and celebration of the nonprofits that make Hudson County a great place to live, work and play! Join us and let's make it happen for our community!
